

# Academic Profile 2019-2020

## School and Community

Providence Academy is a college preparatory, co-educational, independent, liberal arts, pre-K-12 day school that was founded in 1993 on the classical, Christian educational model. While pre-K-8 for most of its existence, grades 9-12 began being added six years ago. Total enrollment is under 200 students. Our 9th-12th grade enrollment is 20. The class of 2020 is our fourth graduating class and comprises of one student.

We provide a rigorous academic program. Our goal is to graduate students with:

- Virtue and maturity
- Sound reason and sound faith
- A masterful command of language
- Well-rounded competence
- Exposure to great books

## Providence Academy Curriculum

### Humanities Program

The core of the six year Logic and Rhetoric (7th-12th grade) Humanities Program is a chronological interdisciplinary study in History and Literature courses studying primary sources and texts in the Western canon. History and literature, art, philosophy, theology, civics and economics are woven into the integrated study. Logic and Rhetoric students also study Art History and Music History, as well as Worldview and Apologetics in separate courses.

### Logic and Rhetoric

Students in the 7th-9th grades study Formal Logic as well as learn to identify fallacies, build proper arguments and think critically. Beginning in 10th grade, students take classes in Rhetoric, in order to speak persuasively and eloquently in front of audiences small and large.
